## RANKING AND RECOGNITION

- UGC has recognized the institute under Section 2(f) of the UGC Act, 1956
- HETC is an ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 certified institute
- Recognized as Best New Local Chapter by SWAYAM-NPTEL, Ministry of HRD, Govt. of India.
- Hooghly Engineering & Technology College secured an All India rank of 98 and zonal rank of 13 on Internship Day 2021
- All India Rank is 552 and 17th among all technical institutes in West Bengal in Student Learning Assessment (SLA) – PARAKH, AICTE to bridge the gap between academics and industry to ensure global competitiveness.
- Nodal Center for organizing Outreach Programmes by Indian Institute of Remote Sensing – Indian Space Research Organization (IIRS, ISRO).

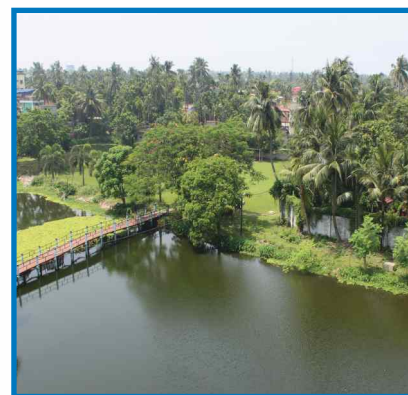

## CAMPUS LIFE

### GREEN & CLEAN

With State-of-the-Art Technology, HETC is a vibrant campus spread over an area of 10 acres. The charismatic cleanliness and lush green campus provide an environment suitable for studies. The water body on the campus adds a unique charm to the overall beauty. The college is proud of this green and pollution-free ambience conducive to an excellent educational ambience.

You will always feel blessed to be a part of this amazing campus life, for it gives you memories to treasure for a lifetime.

## RAGGING FREE CAMPUS

Anti-Ragging measures are controlled by two separate bodies namely (i) Anti-Ragging Committee and (ii) the Anti-Ragging Squad.

The Anti-Ragging Committee comprises representatives from Civil Administration, Local NGOs, Parents/Guardians, Faculty and Administrative staff members. Anti-Ragging Squad is formed of faculty, technical assistants and staff members. Senior students are also included in the committee; monthly meetings are held to review the situation from time to time. The team members maintain strict vigilance throughout the college working hours for 3-4 months after the new admission is complete every year.

"After joining HETC in the Electronics and Communications Engineering for the 2018-2022 session, I was relieved to be in a friendly, supportive environment as I got acquainted with college life's unknown and challenging features. With the help of friendly seniors, caring faculty members and helpful administrative staff members, soon my friends became a part of the institution."

- **Saumin Dutta, ECE (2018-22)**

"Like every parent, I was worried about my son when he joined Hooghly Engineering & Technology College in 2018. My worries mainly grew from the news we hear from the different engineering colleges in our state and throughout the country. But I am pleased that my son studied in a ragging-free, education-friendly environment. Every student must lead a happy college life in the career-building phase of their lives."

- **Sushil Kumar Dutta, Father of Saumin Dutta**

# CAMPUS AMENITIES

## HOSTEL - *Home away from Home*

Though a non-residential institute, HETC provides well-organized hostel facilities for both girls and boys separately.

The girls' hostel with an accommodation of fifty students is within the college campus. The hostel always remains under proper surveillance.

The separate boys' hostel is situated close to the college campus.

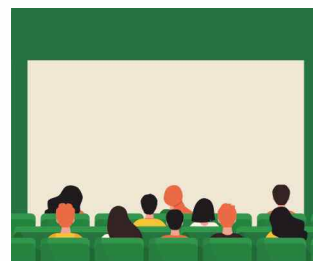

All the hostels are well furnished and equipped with facilities for comfortable staying.

## SEMINAR AND AUDITORIUM

There are two State-of-the-Art air-conditioned seminar and auditorium halls to hold several activities throughout the year. The seminar hall is backed by the modern multimedia system and is frequently used for presentations, seminars, lectures, Tech Fest etc.

The auditorium can accommodate up to 1000 people comfortably and is used for conducting several programmes such as Freshers' Welcome, Induction Programme, NSS activities, Farewell programme, Alumni meet etc. Special Training and Placement related activities are also conducted by the Training and Placement Cell.

## HEALTH CARE

A well-equipped students' health home with experienced doctors is right across the road from the college. Students get different sorts of medical care ceaselessly.

## CAFETERIA

A spacious canteen within the campus caters hygienic and nutritious food to the students and staff members. Nevertheless, there is a pure drinking water supply throughout the day.

## STATIONERY & PHOTOCOPY CORNER

A stationery store with the facility of a photocopier exists within the campus for students and staff members.

## SPORTS CORNER

The college provides playgrounds for soccer, volleyball, cricket and badminton. All necessary equipments and accessories required for these games are also offered.

There are spacious common rooms for boys and girls separately, with facilities for indoor games.

## 24X7 SECURITY

Dedicated professionals manage the security section on the college campus and in the hostels. There is an electric supply backed by generators throughout the day.

# STUDENTS' ACTIVITIES

## ORIENTATION PROGRAMME

The students organize Orientation Programme every year to welcome the newly admitted students.

## ANNUAL MAGAZINE-ETHNIC

The annual magazine of the college, ETHNIC, is published by the students in May every year. ETHNIC is a good platform for budding talents to showcase their creations.

## ANNUAL CULTURAL FEST-UTKARSHA

The students organize the annual cultural fest, UTKARSHA, every year. Besides renowned bands and singers, the students get an opportunity to exhibit their skills and hidden talents in the field of performing art.

## TECHNICAL FEST-TECHetc

The technical fest of HETC is known as 'TECHetc'. It is a two-day-long state-level technical fest for students across the state. The primary objective of the tech fest-'TECHetc' is to help the students imbibe technological innovativeness and to provide them with an opportunity to demonstrate their engineering skills, knowledge and interests. The two-day event turns out to be extremely interesting and provides a learning platform for all the students, giving them a practical experience of teamwork and organizational skills.

# COLLEGE LIBRARY

An educational institution's library is regarded as the Nerve Centre of Knowledge, the centre of intellectual life and the heart and soul of academic activities. The discoveries and developments are made in the library and subsequently tested in the Laboratory. It helps the engineering education professionals update their ability and knowledge about new outlooks, concepts and study of new inventions in engineering education.

Our college library is fully automated and Library, the college has departmental more than 2000 titled books and Library facility has been put into operation shortly. journals are available in our Our Central Library is well with LIBSYS Software. ## STUDENTS SPEAK

**VIDITA MISHRA**  
CSE (2021-25)

"The library is amazing with a huge variety of resources. Besides books, there is a diversified collection of foreign journals and periodicals."

**MEGHA SINGH**  
EE (2020-24)

"Since we have experienced a no ragging scene, it is our responsibility to welcome the newcomers with the same friendly attitude".

**SHRIJON BASU**  
CE (2020-24)

"The language lab, a unique initiative, helps us a lot. Now I have learnt to speak English fluently even though I am from a Bengali medium background".

**ARITRA NANDY**  
EE (2022-26)

"The faculty members are extremely student-friendly. They help by providing us with the most valuable and necessary subject knowledge."

**TRISHA BANERJEE**  
ECE (2022-26)

"Outstanding Professors from JU, IIST and IIT comprise our faculty panel. Their continuous mentorship keeps us updated with the latest information and equips us to crack our exams. Besides being placed in a couple of companies."

**ANKUSH MONDAL**  
ME (2021-2025)

"Unlike other colleges, our college does not only brag about having state-of-the-art infrastructure. Our college, in its truest sense, is backed by the most modern and well-equipped laboratories."

**EKTA SHAW**  
CSE (2019-23)

"The Training & Placement Cell has helped me a lot during my preparation for recruitment to different Multinational Companies. It's not only a college for engineering education but also provides a platform for the grooming of the students."

**MOHAR MAITRA**  
ECE (2019-23)

"The right decision at the right moment always leads to success. HETC made my college life special and memorable. It's not only a college for engineering education but also provides a platform for the grooming of the students."

**TUSHAR ATHA**  
ME (2019-23)

"My college is like the sun, which provides every possible facility to the students. It helps us think beyond the horizon to prepare us for life ahead."

**SUBHDEEP DAS**  
EE (2019-23)

"It's a pleasure to complete my B.Tech course from HETC. The faculties are extremely helpful, and the campus is totally ragging-free. Through a campus recruitment drive, I have been placed in a well-reputed core company."
