HOOGHLY ENGINEERING & TECHNOLOGY COLLEGE

APPROVED BY AICTE | RECOGNISED BY UGC
AFFILIATED TO MAKAUT | ACCREDITED BY NAAC

INFORMATION BROCHURE

ABOUT THE COLLEGE

HETC is run and managed by **HOOGLY ENGINEERING AND TECHNOLOGY COLLEGE SOCIETY**.

The Society consists of eminent educationists, renowned professors and reputed social workers etc.

The objective of the society is to disseminate scientific and technical knowledge at different levels of teaching and learning.

Since its inception, **HOOGLY ENGINEERING & TECHNOLOGY COLLEGE** has set a goal to impart quality technical education constantly to achieve higher levels of academic excellence.

HETC AT A GLANCE

A Society Run
College

A Non-Profitting
Institute

A Self-Financed
Institute

No Management Quota
& Capitation Fee

OUR VISION

➤ To develop professionally competent and socially responsible human resources by imparting quality education in the field of engineering & technology.

OUR MISSION

- To impart learner-centric and comprehensive education that fosters holistic growth and encourages the application of acquired knowledge in different areas of professional and social functioning, research and entrepreneurship.
- To create a dynamic and innovative teaching-learning process with the focus on continuous up-gradation of teaching resources, tools and technologies.

COURSES OFFERED (B.TECH)

Name of the Departments		Approved intake in 2025-26
Computer Science and Engineering	(CSE)	120
Electronics and Communications Engineering	(ECE)	60
Civil Engineering	(CE)	60
Electrical Engineering	(EE)	60
Mechanical Engineering	(ME)	30

INDUSTRY-ACADEMIA PARTNERSHIP

To facilitate academic, research activities, and industrial training, our college, under the guidance of Hooghly Engineering & Technology College Society, has made agreements (MoU) with the following organizations:

ARDENT COMPUTECH PVT. LTD.

EDUSKILLS

EFRAME INFOMEDIA PVT. LTD.
(EIPL)

ML PROFICIENCY

NETCOM INFOTECH PVT. LTD.

Several other organizations are in the process of making agreements with HETC.

Approved by **AICTE** | Affiliated to **MAKAUT** (Formerly WBUT) | Recognized by **UGC** | Accredited by **NAAC**
21 Years of All Round Excellence | **4700+** Students Employed in Top-notch Companies

“Educators

Help change the world every single day”

EXPERIENCED & EFFECTIVE FACULTY

- HETC imparts quality technical education that enables the students to grow as successful professionals in their future life
- Principal, Prof. (Dr.) Bhabani Prasanna Pattanaik, an alumnus of Jadavpur University, leads a team of energetic faculty members and technical assistants as per the AICTE guidelines
- 70 faculty members
- 13 technical assistants
- 18 faculty members have doctorate degrees, i.e. PhD
- 11 faculty members are pursuing PhD
- 14 faculty members has more than 20 years of teaching & industry experience.
- 18 faculty members have more than 15 to 20 years of teaching experience
- 16 faculty members have 10 to 14 years of teaching experience
- 11 faculty members have 5 to 9 years of teaching experience
- The average teaching experience of faculty members is more than 11 years
- Faculty members of HETC have published 100+ journals and 200+ conference papers (There is no genuine data)
- Existing faculty members of HETC have authored 7 books
- 11 faculties are members of IEEE, Science Congress, Indian Road Congress, Calcutta Mathematical Society etc.

ACADEMIC PERFORMANCE

The academic performance of the students is considered to be the foundation of an educational institution. In this regard, we may take pride in stating the excellent and consistent performance of the students in university examinations. Outstanding growth in university results of the students substantiates the effective and comprehensive teaching system in HETC.

YEAR OF GRADUATION	2024	2023	2022
Graduation Level (B.Tech) Performance DGPA 7.25 and above i.e, equivalent to 65% marks.	85.4%	97.6%	99%
Entry Level Standard 60% and above in 10th standard and 10+2 standard	89%	91%	91%

LIST OF PRESTIGIOUS ORGANIZATIONS WHERE STUDENTS ARE TRAINED IN SUMMER AND WINTER SESSIONS

INDUSTRIAL TRAINING

The well-organized Training & Placement Cell of the College arranges vocational & need-based training for students in industries for 4-6 weeks at the end of the 4 & 6 Semester. The students of the college undergo their training at various prestigious organizations.

ONLINE COURSES, INTERNSHIP & TECH CAMP@ HETC

Hooghly Engineering & Technology College (HETC) is committed to equipping students with future-ready skills through a comprehensive ecosystem of online courses, internships, and technology camps. The college mandates participation in online certification programs sourced from globally recognized platforms such as **SWAYAM-NPTEL**, **Coursera**, **edX**, **IIRS-ISRO**, and **Spoken Tutorial**, ensuring alignment with evolving industry standards.

In collaboration with platforms like **EduSkills** and **Internshala**, students gain access to virtual internships with leading multinational companies, gaining practical exposure and professional competence. The college has also partnered with reputed industries to offer specialized training programs, strengthening the bridge between academic learning and industry needs.

HETC's dedication to student career readiness is reflected in its **All India Rank of 181 out of 740+ institutions in the Internshala Annual Rankings 2024**, highlighting its excellence in internship facilitation and student skill development.

As a recognized **Nodal Centre of the Indian Institute of Remote Sensing (IIRS), ISRO Dehradun**, the college hosts regular outreach programs focused on remote sensing and geospatial technologies, fostering innovation and scientific engagement

Our students have consistently excelled in national platforms, securing positions in the **Top 1% and 5% in NPTEL examinations**, and earning **NPTEL Star recognitions**, attesting to their academic rigor and discipline.

Furthering this commitment, HETC recently hosted a **National-Level Google AI-ML Tech Camp**, in collaboration with **EduSkills Foundation** and **IQAC**. The camp introduced students to the core concepts of Artificial Intelligence and Machine Learning through immersive hands-on sessions, real-world problem-solving, and guided project development—nurturing the innovators and technologists of tomorrow.

TRAINING, TEACHING, TUTORIAL...

FOR 1ST YEAR STUDENTS

- Class Room Teaching
- Information and Communication Technology (ICT) based Teaching
- Information and Communication Technology (ICT) based Training
- Tutorial and Remedial Classes
- Laboratory Practice
- Workshop
- Soft Skills Training
- Internships
- Free and Open Source Software Training (Through Spoken Tutorial e collaboration with IIT-Bombay under NMECT, MHRD, Govt. of India)
- MOOCs Courses

FOR 2ND YEAR STUDENTS

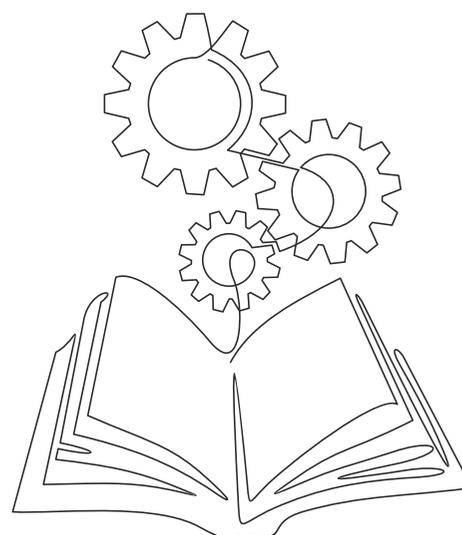

- Class Room Teaching
- Information and Communication Technology (ICT) based Teaching
- Information and Communication Technology (ICT) based Training
- Tutorial and Remedial Classes
- Laboratory Practice
- Soft Skills Training
- Aptitude Training by reputed professional organizations
- Internships
- Free and Open Source Software Training (Through Spoken Tutorial in collaboration with IIT-Bombay under NMEICT, MHRD, Govt. of India)
- MOOCs Courses

FOR 3RD YEAR STUDENTS

- Class Room Teaching
- Information and Communication Technology (ICT) based Teaching
- Information and Communication Technology (ICT) based Training
- Tutorial and Remedial Classes
- Laboratory Practice
- Industrial Training
- Soft Skills Training
- Aptitude Training by reputed professional organizations
- Internships
- Free and Open Source Software Training (Through Spoken Tutorial in collaboration with IIT-Bombay under NMEICT, MHRD, Govt. of India)
- MOOCs Courses
- In-house training for GATE

FOR 4TH YEAR STUDENTS

- Recapitulation of all kinds of training received in the previous years
- Class Room Teaching
- Information and Communication Technology (ICT) based Teaching
- Information and Communication Technology (ICT) based Training
- Tutorial and Remedial Classes
- Laboratory Practice
- Industrial Training
- Soft Skills Training
- Aptitude Training by reputed professional organization
- Internships
- Free and Open Source Software Training (Through Spoken Tutorial in collaboration with IIT-Bombay under NMEICT, MHRD, Govt. of India)
- MOOCs Courses
- In-house training for GATE

ENTREPRENEURSHIP DEVELOPMENT

The Entrepreneurship Development Cell of HETC motivates and facilitates learners toward an alternative revenue for career development. It aims at bringing out the entrepreneurial spirit among the students. The objective of the cell is to promote entrepreneurial capabilities among the students to produce future techno-entrepreneurs.

PLACEMENT

Training and Placement Cell is the framework for helping students develop their personal and organizational skills, knowledge and abilities to enhance their personality and thereby get placed in an organization with a global presence. HETC is one of the very few colleges where the concept of training has been implemented and proved successful. The Placement Cell works sincerely to empower students with various qualities and skills to achieve professional and personal excellence.

RANKING AND RECOGNITION

- Recognized under Section 2(f) of the UGC Act, 1956 by UGC.
- NAAC accredited with B+ grade.
- ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certified institute.
- Awarded Best New Local Chapter by SWAYAM-NPTEL, Ministry of HRD, Govt. of India.
- Secured All-India rank 48 on Internship Day 2023.
- Achieved rank 181 in the Internshala Annual Ranking 2024.
- Attained All-India rank 932 out of 4540 institutes in the Student Learning Assessment (SLA) conducted by PARAKH, AICTE.
- Designated Nodal Center for Outreach Programmes by Indian Institute of Remote Sensing (IIRS), ISRO.
- Regular participant in National Institutional Ranking Framework (NIRF), reflecting commitment to transparency and continuous improvement.
- Recipient of central funding to organize ATAL-FDP programmes, enhancing faculty development.

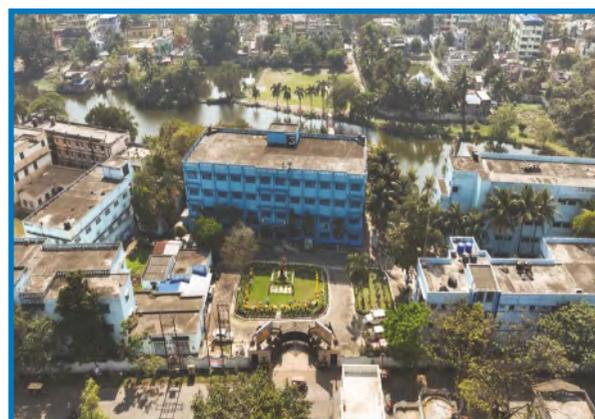

CAMPUS LIFE

GREEN & CLEAN

With State-of-the-Art Technology, HETC is a vibrant campus spread over an area of 10 acres. The charismatic cleanliness and lush green campus provide an environment suitable for studies. The water body on the campus adds a unique charm to the overall beauty. The college is proud of this green and pollution-free ambience conducive to an excellent educational ambience.

You will always feel blessed to be a part of this amazing campus life, for it gives you memories to treasure for a lifetime.

RAGGING FREE CAMPUS

Anti-Ragging measures are controlled by two separate bodies namely (i) Anti-Ragging Committee and (ii) the Anti-Ragging Squad.

The Anti-Ragging Committee comprises representatives from Civil Administration, Local NGOs, Parents/Guardians, Faculty and Administrative staff members. Anti-Ragging Squad is formed of faculty, technical assistants and staff members. Senior students are also included in the committee; monthly meetings are held to review the situation from time to time. The team members maintain strict vigilance throughout the college working hours for 3-4 months after the new admission is complete every year.

12

“After joining HETC in the Civil Engineering for the 2022-2026 session, I was relieved to be in a friendly, supportive environment as I got acquainted with college life’s unknown and challenging features. With the help of friendly seniors, caring faculty members and helpful administrative staff members, soon my friends became a part of the institution.”

- Krishnendu Adak, CE (2022-26)

“Like every parent, I was worried about my son when he joined Hooghly Engineering & Technology College in 2022. My worries mainly grew from the news we hear from the different engineering colleges in our state and throughout the country. But I am pleased that my son studied in a ragging-free, education-friendly environment. Every student must lead a happy college life in the career-building phase of their lives.”

- Subir Kumar Adak, Father of Krishnendu Adak

CAMPUS AMENITIES

HOSTEL - *Home away from Home*

Though a non-residential institute, HETC provides well-organized hostel facilities for both girls and boys separately.

- The girls' hostel accommodating fifty students, is within the college campus under proper surveillance.
- The separate boys' hostel is situated close to the college campus.
- All the hostels are well furnished and equipped with facilities for comfortable staying.

AUDITORIUM

- There are two State-of-the-Art air-conditioned auditoriums to hold several activities throughout the year. Both the auditoriums are backed by the modern multimedia system and are frequently used for presentations, seminars, lectures, Tech Fest etc.
- The auditorium on the ground floor can accommodate up to 200 people comfortably and is also used as a smart classroom in case of special training conducted by the Training and Placement Cell.
- The newly built spacious auditorium with a gallery system has a fixed stage and can comfortably accommodate thousands of audience.

HEALTH CARE

- A well-equipped students' health home with experienced doctors is right across the road from the college. Students get different sorts of medical care ceaselessly.

CAFETERIA

- A spacious canteen within the campus caters hygienic and nutritious food to the students and staff members. Nevertheless, there is a pure drinking water supply throughout the day.

STATIONERY & PHOTOCOPY CORNER

- A stationery store with the facility of a photocopier exists within the campus for students and staff members.

SPORTS CORNER

- The college provides playgrounds for soccer, volleyball, cricket and badminton. All necessary equipment and accessories required for these games are also offered.
- There are spacious common rooms for boys and girls separately, with facilities for indoor games..

24X7 SECURITY

- Dedicated professionals manage the security section on the college campus and in the hostels. There is an electric supply backed by generators throughout the day.

STUDENTS' ACTIVITIES

ORIENTATION PROGRAMME

The students organize Orientation Programme every year to welcome the newly admitted students.

ANNUAL MAGAZINE-ETHNIC

The annual magazine of the college, ETHNIC, is published by the students in May every year. ETHNIC is a good platform for budding talents to showcase their creations.

ANNUAL CULTURAL FEST-UTKARSNA

The students organize the annual cultural fest, UTKARSHA, every year. Besides renowned bands and singers, the students get an opportunity to exhibit their skills and hidden talents in the field of performing art.

TECHNICAL FEST-TECHetc

The technical fest of HETC is known as 'TECHetc'. It is a two-day-long state-level technical fest for students across the state. The primary objective of the tech fest-'TECHetc' is to help the students imbibe technological innovativeness and to provide them with an opportunity to demonstrate their engineering skills, knowledge and interests. The two-day event turns out to be extremely interesting and provides a learning platform for all the students, giving them a practical experience of teamwork and organizational skills.

COMPUTING FACILITIES

HETC presents a variety of IT facilities to its students

- HETC owns four high-end IBM servers for maintaining the college network, database, library and other computing facilities.
- The entire college campus is equipped with high-speed Wi-Fi (including Hostel).
- The College owns a 190 Mbps internet connection from Alliance and Jio and thus provides secure, high-speed network connections to all corners of the campus.
- Total 30 nos. of latest application software, system software & compiler.
- Seven state-of-the-art computer laboratories are equipped with high-end Intel core 15 desktop computers (350 nos.), scanners and printers.
- The computing environment is primarily made up of LINUX systems along with a large number of Windows systems.

COLLEGE LIBRARY

An educational institution's library is regarded as the Nerve Centre of Knowledge, the centre of intellectual life and the heart and soul of academic activities. The discoveries and developments are made in the library and subsequently tested in the Laboratory. It helps the engineering education professionals update their ability and knowledge about new outlooks, concepts and study of new inventions in engineering education.

Our college library is fully automated and air-conditioned. Apart from the Central Library, the college has departmental Libraries as well. The library has more than 2000 titled books and 38,000 book volumes. A Digital Library facility has been installed in the library and will be put into operation shortly. Good numbers of e-books and e-journals are available in our library.

Our Central Library is well equipped and fully automated with LIBSYS Software. Apart from the Central Library, the college also has Book Bank and Departmental Libraries. The library has a good number of collections with printed materials and e-resources. The library has subscribed to e-books and online journals from Videeya, NDLI and DELNet. The library also provides Institutional Repository Service with DSpace SOFTWARE and OPAC services.

LABORATORIES OF ALL DEPARTMENTS

BASIC SCIENCE AND HUMANITIES

- Physics Lab
- Chemistry Lab
- English Communication and Language Lab
- Biology Lab

ECE

- Basic Electronics Engineering Lab
- Electronics Device Lab
- Analog Circuits Lab
- Digital System Design Lab
- Electromagnetic Wave Lab
- Analog Communication Lab
- Digital Communications Lab
- Microprocessors & Microcontrollers Lab
- Control System Instrumentation Lab
- Digital Signal Processing Lab
- Mini Project/Electronic Design Workshop Lab
- Project Lab

CE

- Building Design and Drawing (CAD Lab)
- Surveying & Geomatics Lab
- AUTOCAD & STAAD. Pro Lab
- Design and Detailing of R.C Structures Lab
- Design and Detailing of Steel Structures Lab
- Fluid Mechanics Lab
- Solid Mechanics
- Soil Mechanics Lab
- Environmental Engineering Lab
- Quantity Surveying Lab
- Concrete Technology Lab
- Highway & Transportation Engineering Lab
- Project Lab
- Geology Lab
- Water Resources Engineering Lab

CSE

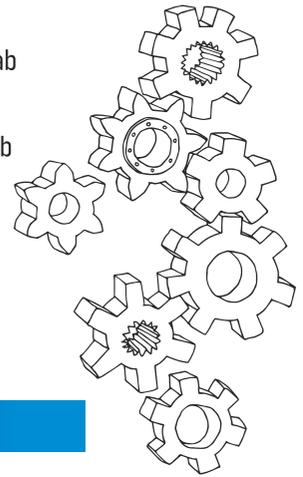

- Programming Lab
- Numerical Methods Lab
- Software Engineering Lab
- Operating System Lab
- Object-Oriented Programming Lab
- Artificial Intelligence Lab
- Database Management System Lab
- Data Structure and Algorithm Lab
- Design & Analysis of Algorithm Lab
- Computer Architecture Lab
- Computer Organization Lab
- Computer Network Lab
- Internet Lab
- Project Lab

EE

- Basic Electrical Lab
- Circuit Theory Lab
- Electric Machine Lab
- Electric and Electronic Measurement Lab
- Power System Lab
- Power Electronics Lab
- Control System Lab
- Electric Drive Lab
- Electrical System Design Lab
- Project Lab

ME

- Engineering Graphics & Design Lab
- Workshop/Manufacturing Practices Lab
- Practice of Manufacturing Processes Lab
- Practice of Manufacturing Processes and Systems Lab
- Machine Drawing - I Lab
- Mechanical Engineering (Thermal) - I Lab
- Machine Drawing - II Lab
- Mechanical Engineering (Design) - II Lab
- Mechanical Engineering (Manufacturing) - III Lab

LANGUAGE LAB

In order to prepare students to face the corporate world, HETC has built a state-of-the-art language lab. This language-cum-personality development lab enhances the soft skill needed to excel. The students are well-groomed to face actual interviews and group discussions confidently. They learn the techniques used for proper communication to emerge as influential leaders. This lab has been designed and set up by the Centre of Advance Communication, STEP, IIT, Kharagpur.

WORKSHOP

The spacious and well-equipped workshops impart training in Carpentry, Fitting, Welding (Arc & Gas), Brazing & Soldering, Machining, Sheet Metal Work and Foundry in concurrence with the MAKAUT (WBUT) course curriculum. The Tin-Smithy shop ensures the availability of all equipment and instruments.

EVENTS IN HETC

- NSS Unit of HETC, in collaboration with DKMS, conducted a Blood Cancer Awareness Campaign and Stem Cell Registration Drive on 2nd April 2025.
- NSS HETC organized a Road Safety Campaign in partnership with TVS Motors on 20th July 2024 to promote traffic safety awareness.
- On 1st December 2024, the NSS Unit observed World AIDS Day by taking a pledge and producing a short film on AIDS awareness involving student volunteers.
- NSS HETC organized a Blood Donation Camp on 24th April 2024, encouraging voluntary blood donations from students and staff.
- The NSS Unit celebrated International Yoga Day on 21st June 2024, promoting health and wellness activities.
- During Van Mahotsav and Aranya Saptaha from 5th to 13th July 2024, NSS conducted a large-scale tree sapling distribution and plantation drive.
- NSS HETC marked World Environment Day on 5th June 2024 by distributing tree saplings among students, staff, and pedestrians to encourage environmental awareness.
- To commemorate NSS Day and Poshan Maah on 24th September 2024, the NSS Unit distributed food materials and stationery supplies at the Maa Mission Ashram orphanage.
- The NSS Unit celebrated Independence Day on 15th August 2024 with flag hoisting and other commemorative activities.
- NSS HETC observed Republic Day on 26th January 2025 with flag hoisting and patriotic events.
- On 22nd April 2024, the NSS Unit organized an Earth Day Quiz to raise environmental awareness.
- NSS HETC observed International Mother Language Day on 21st February 2025 with awareness activities promoting linguistic diversity. Apart from the programmes mentioned above, various other webinars, seminars, workshops and cultural programmes were organized in 2023-24.

STUDENTS SPEAK

AMIT KUMAR BAKSHI
ECE (2021-25)

"The library is amazing, with a huge variety of resources. Besides books, there is a diversified collection of foreign journals and periodicals."

SHRESTHA BANERJEE
CSE (2021-25)

"Since we have experienced a no ragging scene, it is our responsibility to welcome the newcomers with the same friendly attitude."

TRISHA BANERJEE
ECE (2022-26)

"The language lab, a unique initiative, helps us a lot. Now I have learned to speak English fluently even though I am from a Bengali medium background."

DIBYESH DAS
EE (2022-26)

"The faculty members are extremely student-friendly. They help by providing us with the most valuable and necessary subject knowledge."

ARKAPRAVA GANGOPADHYAY
CE (2021-25)

"Outstanding professors from JU, IIST, and IIT comprise our faculty panel. Their continuous mentorship keeps us updated with the latest information and equips us to crack our exams. Besides being placed in a couple of companies."

ARCHAK BASU
ME (2021-2025)

"Unlike other colleges, our college does not only brag about having state-of-the-art infrastructure. Our college, in its truest sense, is backed by the most modern and well-equipped laboratories."

RAHUL KARMAKAR
CSE (2021-25)

"The Training & Placement Cell has helped me a lot during my preparation for recruitment to different multinational companies. It's not only a college for engineering education but also provides a platform for the grooming of the students."

LONA DAS
CE (2021-25)

"The right decision at the right moment always leads to success. HETC made my college life special and memorable. It's not only a college for engineering education but also provides a platform for the grooming of the students."

ANUSHKA MUKHERJEE
CE (2022-26)

"My college is like the sun, which provides every possible facility to the students. It helps us think beyond the horizon to prepare us for life ahead."

SANI DAS
CSE (2020-24)

"It's a pleasure to complete my B.Tech course from HETC. The faculties are extremely helpful, and the campus is totally ragging-free. I secured an All India Rank (AIR) of 370 in GATE 2024."

FEES STRUCTURE

FEES STRUCTURE FOR 4 YEAR B. TECH PROGRAMME (CSE)

	1st Sem	2nd Sem	3rd Sem	4th Sem	5th Sem	6th Sem	7th Sem	8th Sem
Tuition Fee	50,000	50,000	51,000	51,000	52,000	52,000	53,000	53,000
Admission Fee	5,000	—	—	—	—	—	—	—
